**Scrofula of Lungs
Relieved.**

I am now 45 years old, and have suffered
for the last fifteen years with a lung trouble.
Several members of the family on my moth-
er's side of the house had died with con-
sumption, and the doctors were all agreed
in their opinion that I had a consumption
of the lungs. I had all the distressing sym-
ptoms of this terrible disease. I have spent thou-
sands of dollars to arrest the march of this
disease; I have employed all of the usual
methods, not only in my own case, but in
the treatment of other members of my fam-
ily, but temporary relief was all that I ob-
tained. I was unfit for any manual labor
for seven years. By chance I came in pos-
session of a pamphlet on "Blood
and Skin Disease" from the office
of **SWIFT'S SPECIFIC CO., Atlanta, Ga.**
A friend recommended the use of
SWIFT'S SPECIFIC, claiming that he himself
had been greatly benefited by its use in a
lung trouble. I resolved to try it.
About four years ago I commenced to take
S. S. S. according to directions. I found it
an invigorating tonic, and have used about
fifty bottles. The results are most remark-
able. My cough has left me, my strength
has returned, and I weigh sixty pounds
more than I ever did in my life. It has been
three years since I stopped the use of the
medicine, but I have had no return of the
disease, and there are no pains and weak-
ness left in my lungs. I do the hardest
kind of mechanical work, and feel as well
as I ever felt since I was a boy. These I
know are wonderful statements to make,
but I am honest when I say that I owe my
existence and health to-day to **SWIFT'S SPECIFIC**.
It is the only medicine that brought me
any permanent relief. I do not say that
SWIFT'S SPECIFIC will do this in every case,
but most positively affirm that it has done
this much for me, and I would be recreant
to my duty to the suffering humanity if I
failed to bear this cheerful testimony to the
merits of this wonderful medicine. I am
well known in the city of Montgomery,
and I can refer to some of the best citizens
in the city.
